BLOOMSTONE

Product Care & Instruction

RICHMOND'S BLOOMSTONE furniture is handcrafted with great care and attention to produce distinctive pieces that brings lush experience every day. Each item of furniture has hand finishing and traditional techniques of lime plaster application are applied, to ensure strength and longevity, all coatings are sturdy and are of food grade. This together with natural features such as textures due to hand craftsmanship variation ensures that each piece has its own identity and no piece matches the other. With careful use, these finely made pieces will give many years of satisfaction. To prolong the life of the furniture that you buy from Richmond Interiors we advise the following:

CLEANING

To maintain the appearance of your furniture we recommend regular dusting with a soft cloth. It may occasionally be wiped with a soft cloth, very lightly dampened with a mild detergent solution and then to be dried with a lint-free cloth.

Please do not use silicone based cleaners, as it will lead to a buildup of a silicone film altering the appearance of the piece.

Spills should be removed immediately by blotting with a dry white cloth and cleaning with dampened cloth. The spillage must be removed with due diligence since keeping the spillage for long durations on the surface will lead to stains on the product.

Please do not use sharp objects on the surface of the product as it may damage the coatings as well as the substrate of the product.

Please do not use any solvent/alcohol based cleaners, it will damage the food safe coating on the product.

CARE

We recommend that you protect delicate flooring from potential marks by furniture's feet or legs. Dropping furniture onto corners or feet will cause damage to the frame and/or legs.

Sitting or standing on the product until/otherwise mentioned to, might cause damage to the product as well as your own safety in terms of fall.

Avoid contact with any chemicals such as makeup products, perfume, etc as these may affect the finishing if spilled or brushed.

If your furniture gets stained, scratched, chipped or suffers other damage we recommend professional help to restore it.

Following the guidelines above will ensure product performance is maintained. **Richmond Interiors** is not responsible for defects caused by the misuse of your product.

Disclaimer -

Accessories shown in the image area only for representation and are not part of the product.

Depending on your screen settings and resolution on your device there may be a slight variance in product color and finish of the image and actual product.

The textures in all products are unique and different.

Furniture having intricate hand-painted details are unique pieces and may have a slight distinction between the picture and actual product.

Common Care Instructions:

Any table including dining tables can be cleaned or wiped using a tablecloth or any other thick cloth which is subject to daily use.

Keep warm or cold items away from furniture surface; use hot pad or coasters; don't keep hot items like a Pan or baking dish on a hot pad and also keep sharp objects away from your furniture.

Avoid minor scratches that may hamper finish of your furniture, avoid sliding or passing items placed on your tabletop.

Avoid placing items like burning candles or irons on any furniture as the heat generated from them may affect the life of your furniture in the long run, make use of candle holders to avoid melting wax touching the furniture.

Cleaning your furniture items regularly will help you maintain them for a long time, make sure that you clean your furniture gently with a soft lightly damp cloth; using a rough rag and pressing it hard against the surface might lead to minor scratches.
