FAUX TRAVERTINE

Care & Maintenance Instructions

Clean spills immediately
Wipe up any spills right away to prevent staining. Be especially careful with acidic foods and drinks, as they can damage the surface. Clean spills immediately
Wipe up any spills right away to prevent staining or dulling of the glossy finish.

Protect from heat and stains
Always use placemats and coasters to shield the surface from food, beverages, and hot items.

Use gentle cleaning methods
Clean with a soft, lint-free cloth and lukewarm, soapy water to remove stains or stubborn dirt. Dry thoroughly after cleaning to prevent moisture damage.

Avoid abrasive products
Do not use abrasive or chemical-based cleaners, as they can damage the protective coating and make the surface more susceptible to future stains.

Indoor use only
This product is intended for indoor use. Outdoor exposure can lead to irreversible damage.

Handle with care
Avoid dragging or placing sharp or rough objects directly on the surface to prevent scratches or dull spots.

By following these simple care steps, your faux travertine will preserve its refined look and smooth surface for years to come.
