

Care & Maintenance Instructions

General cleaning
Dust regularly with a soft, lint-free cloth to preserve its clarity and shine.
Gentle handling
Crystal is delicate. Handle with care to prevent chips, cracks, or breakage.
Avoid harsh cleaners
Do not use abrasive or chemical cleaners, as they may damage the surface or coating.
Prevent scratches
Avoid stacking or placing crystal elements against each other.
Maintain brilliance
Polish occasionally with a dry microfiber cloth to enhance its natural sparkle.
Indoor use only
This material is designed for indoor use.

By following these guidelines, your crystal elements will retain their brilliance and elegant appearance for years to come.
